## Pre-Registration

### - Completing the Application -

**Pre-registration** allows a veteran to establish **in advance**, his/her eligibility for interment at the Idaho State Veterans Cemetery. There is no cost for pre-registration and it does not obligate the veteran to be interred at the cemetery. Pre-registration is intended to simplify and assist the veteran's next-of-kin at the time of death.

The interment fee for eligible veterans, spouses and dependent children is \$300. Interment fees for eligible veterans are paid by the Department of Veterans Affairs. Associated funeral expenses and preparation are incurred by the veteran and/or family.

Please complete the application as instructed below:

#### REQUIRED DOCUMENT

- Check the "Pre-registration of Veteran" box and select "Interment Type." Eligible spouses may also be pre-registered at the same time as the veteran, if so desired (see below).
- Complete the "Veteran's Information" and "Service Record" sections of the form. Please note that the "Service Record" information listed on this application is not in lieu of providing the Veterans Cemetery with a copy of **Form DD-214** or other equivalent discharge document. A copy of either of these documents **MUST** be included when submitting this application. Failure to provide the required service record document will delay processing of the application.
- If at the time of pre-registration, it is felt that a person other than the eligible veteran should be designated as the point of contact, please complete the "Contact Information" section, otherwise, leave blank if we should contact the veteran if the Cemetery Office has any questions.

#### REQUIRED DOCUMENT

- Complete the "Spousal Information" if the eligible spouse wishes to be interred in the Veterans Cemetery. A copy of the **Marriage License** **MUST** be included when submitting this application. Failure to provide a copy of the Marriage License will delay processing of the application.
- In certain circumstances, dependent children may also be eligible for interment. Please contact the Veterans Cemetery Office for more information regarding dependent children.
- The person completing the application should sign and date the form. Please indicate the relationship to the veteran. It is recognized that in certain cases the veteran may require assistance and not be the individual completing the application.
